Dear Mr. Plamondon,

I am in possession of your email letters dated 3/14/15 and 3/24/15.

As you are aware, I am new into my position as Executive Director of two Boards: the Oregon Board of Psychologist Examiners and the Oregon Board of Professional Licensed Counselors and Therapists. My position carries many responsibilities and I must be careful to prioritize my time in order to be effective.

Others have previously addressed most, if not all of your questions. I will focus my attention on the day-to-day details of directing the two Boards. I trust that you understand.

Respectfully,

Charles Hill  
Executive Director
